

# PRIMO

## NON-INTEGRATED | HINGED WINDOW SYSTEM

### START ENJOYING THE VIEW

The Primo is an entry-level, top-hung hinged window system with a bulged, robust design and solid edges. This modular window system for the straight walls of your RV or caravan is maintenance-free, and easy to clean.

This lightweight and durable design is expertly crafted with the highest-grade materials for convenient operation. The Primo window system features exceptional gloss and crystal clear transparency, offering an outstanding view whether you're on the road or at the campsite.

**Whenever, wherever, we make your experience better.**

Designed for side RV windows, custom available for front and rear

Double pane, cast acrylic window with a flat unformed inner sheet & thermoformed outer sheet

Opens in any position due to the tubular or automatic stays

Modular system with options and a choice of parts and accessories
