

# ROTA-FLEX™

PIN BOX

## UPGRADE TO COMFORT

A smoother ride is on the way! The CURT® Rota-Flex™ 5th wheel trailer pin box is designed to endure the ruggedness of the roads you encounter on your journeys, day after day and mile after mile.

Trust the towing experts.

## PACKED WITH STRENGTH AND SIMPLICITY

### Improves ride

The Rota-Flex features a pivoting head that moves and controls back and forth movement of the king pin within the hitch which significantly reduces chucking and provides a smoother ride

### Built to last

Constructed with steel and a black powder coat finish that protects against rust, the Rota-Flex is extremely durable to ensure peaceful towing day after day

### Shock absorption technology

To minimize strain and reduce wear and tear on the trailer, the Rota-Flex contains a robust rubber compound in its head that absorbs the road shock, bumps, and vibrations experienced on rugged terrain

### Additional Features

- Reduces chucking and absorbs road shock
- Medium jaw with pivoting head
- Bolt-on installation with no assembly required
- Constructed with steel and a black powder coat finish that protects against rust
- Powder-coated lower jaw
- Made in the USA
