Handle**

THE INDUSTRY STANDARD FOR YEARS

Our Venting Egress Picture window has been an industry standard for years. Reinforced vinyl seals help keep the interior dry in any environment.

**Whenever, wherever, we
make your experience better.**

Additional Features

- Large mounting flange for easy installation
- The operating hardware is zinc or corrosion-resistant steel
- Sloped sill for better water drainage
- Offset weep system reduces water and wind penetration
- Weather exposed vinyl seals are nylon reinforced to control shrinkage
- Removable screen
- Egress panel exceeds RVIA requirements
- Standard clamp ring installation available for various wall thicknesses
