

The Original

G-2085

GREATEST PROJECTION

The G-2085 has the greatest projection of any window awning. It extends to a 90° angle to provide the greatest area of sun protection.

FLUSH MOUNTED VERTICAL ARMS

The G-2085 has vertical arms that are mounted flush to the side of the window, incorporating them into the window frame. The housing can be ordered wider than the window creating shade even when the sun is at a side angle.

G-LINK ELECTRONICS

The G-2085 is sold with our new G-LINK Electronics. A whole new generation of Awning Control Modules.
