

CHIEF®

VELOCITY OUTDOOR

PEDESTAL SYSTEM

Designed to **Evolve**

MODULAR DESIGN

Chief Velocity is easily modified from a single display to a dual or triple, making it adaptable for changing client needs and reducing overall cost of ownership.

EASE AND SPEED OF INSTALLATION

Easy installation requires only two people. No heavy lift machinery rental is necessary, saving time and money. A la cart options are available: order complete systems to ship onsite, or order frames and bases separately to stock in inventory.

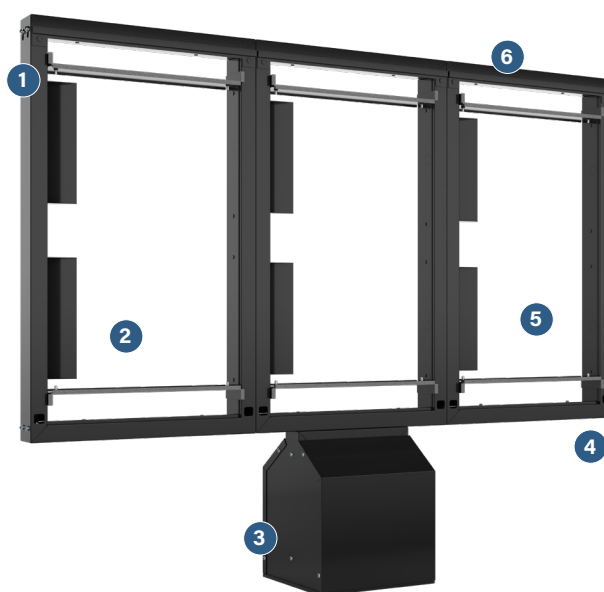

SHIPPING

Since Chief Velocity is flat-packed and ships on a 40" x 48" pallet, it easily fits in smaller receiving docks and reduces overall shipping costs as well.

PRICING

Competitive standard product pricing means no waiting for custom quotes. Off-the-shelf inventoried product means quick shipping and allows for installation in less than two weeks.

Ideal for drive-thru menu boards and wayfinding signage, Chief® Velocity Outdoor Pedestal System is a modular mount designed with installers in mind. The modularity of this mount provides a quick and easy installation experience, and allows your customers to **future-proof** their investment.

- 1 UL Listed
- 2 Open back design for ease of maintenance – optional back cover accessory is available
- 3 Baseplate provides 15° of rotational positioning flexibility
- 4 Optional Speaker Mount is available
- 5 Supports Samsung and LG 55" outdoor displays
- 6 Wind load rated up to 140 mph
