DEFINITIONS

WARNING: A WARNING alerts you to the possibility of serious injury or death if you do not follow the instructions.

CAUTION: A CAUTION alerts you to the possibility of damage or destruction of equipment if you do not follow the corresponding instructions.

MOUNTING SYSTEM: A MOUNTING SYSTEM is the primary product designed by Chief® to mount the projector or display.

ACCESSORY: An ACCESSORY is any product designed by Chief® to complement the primary mounting system either by mounting any supporting components or enhancing the mounting capabilities of the primary mounting system.

COMPONENT: A COMPONENT is any secondary product to be mounted to an accessory, i.e. speakers, CPU's, cameras, tablets, additional displays.

IMPORTANT SAFETY INSTRUCTIONS

WARNING: Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty! It is the installer's responsibility to make sure all mounts/accessories are properly assembled and installed using the instructions provided.

WARNING: Use this accessory only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.

WARNING: Never operate this accessory if it is damaged. Return the mounting system to a service center for examination and repair.

NOTE: ODMBCLG has no user serviceable parts.

TOOLS REQUIRED FOR INSTALLATION

PARTS

Installation

1. Apply foam tape (D) to the edge of the partition (B).
2. Partially install two M8 x 16mm Torx screws (E) to the inside of the frame. (See Figure 2)
3. Position the slots in the partition (B) over the two M8 x 16mm Torx screws (E), then slide it towards the back of the display. Tighten the M8 x 16mm Torx screws. (See Figure 2)

Figure 1

4. Apply foam tape (D) along the outside edges of the back cover (A). (See Figure 2)

Figure 2

5. Loosen the four M8 x 20mm security screws from the rear of the frame. Leave approximately half of the threads exposed. (See Figure 3)

Figure 3

6. Place the rear cover (A) over the frame. Position the exposed screws through the four slots in the corners of the cover, then lower the cover and hang it on the screws. (See Figure 4)
7. Re-tighten the four M8 x 20mm security screws using the included T40 security hex key (C). (See Figure 4)

Figure 4
