MOUNT SYSTEMS

TEMPO™ FAMILY

WALL MOUNT SYSTEMS

The Tempo family of Flat Panel Wall Mount Systems supports both conferencing and digital signage applications, with Tempo Flat Panel Wall Mounts for conferencing and Tempo Portrait Flat Panel Wall Mounts purpose-built for digital signage.

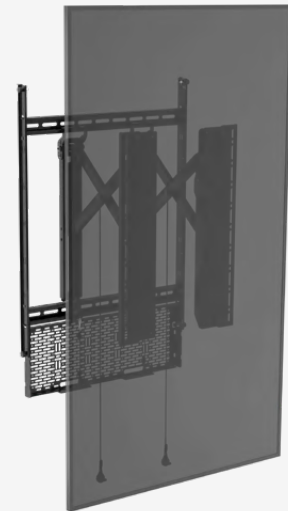

Tempo Flat Panel Wall Mount System

Each solution combines a secure display mount with built-in storage for AV devices and integrated cable management to streamline installations and reduce clutter, while supporting 1-TECH installations and maintenance for fast, efficient service by a single technician.

The result is cleaner installs, reduced labor time, and easy access to AV devices for ongoing updates and adjustments.

1-TECH™

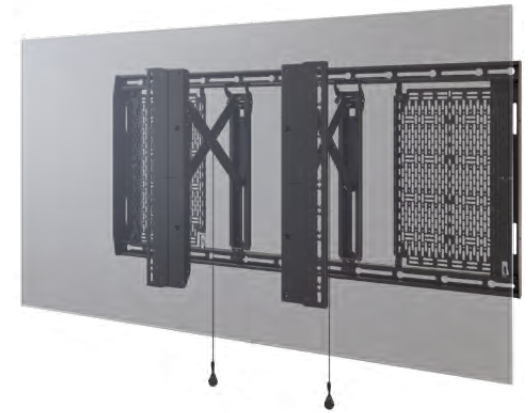

Tempo Portrait Flat Panel Wall Mount System

TEMPO FLAT PANEL

WALL MOUNT SYSTEM

CHIEF
A brand of **legrand**

**Built for Conferencing.
Engineered for Faster Installs.**

The Tempo Flat Panel Wall Mount System is an all-in-one configurable wall mount designed to improve efficiency by streamlining installation workflow. AV professionals can increase productivity and add money to the bottom line with this system, especially for mass rollouts. Install on any wall and neatly store AV devices with simple, unparalleled service access. Install up to six small devices behind the display on integrated Lever Lock™ storage panels.

Tempo Wall Mount System is thoughtfully designed with feedback from installers for faster deployments

TEMPO FLAT PANEL

WALL MOUNT SYSTEM FEATURES

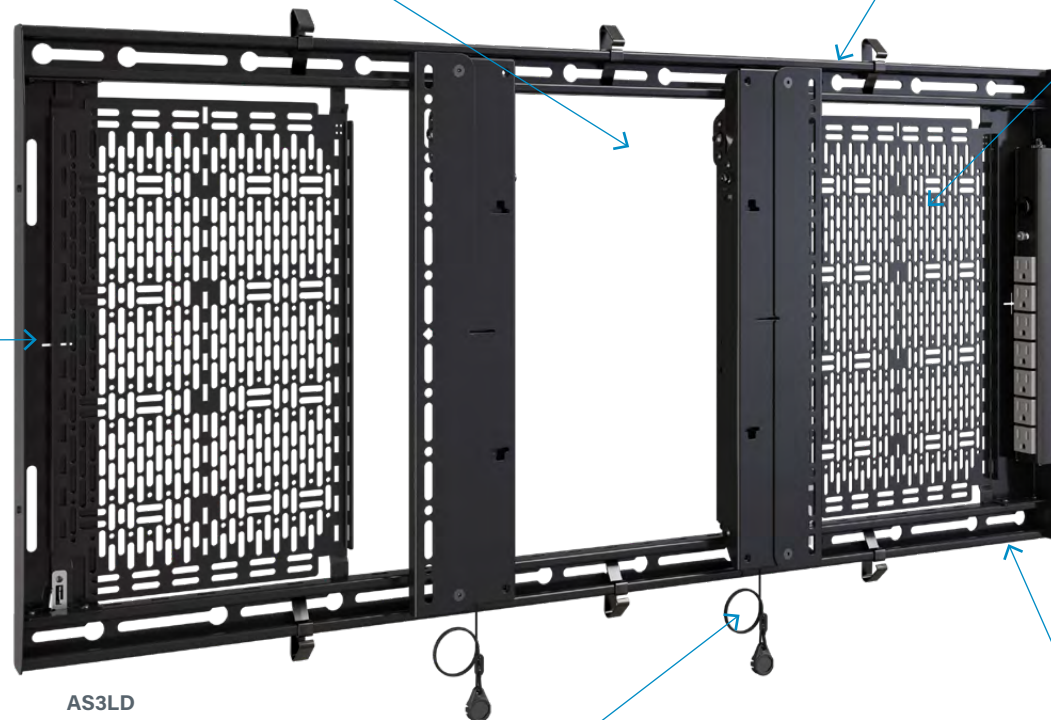

CABLE MANAGEMENT
CLIPS keep cables tidy for
a professional-looking
installation

LEVERAGE wide open wall plate to
line up wall power outlets and low
voltage wiring

+/-0.5" (13mm) post-installation
display leveling adjustment

Two 15"x10" (250 x
400mm) Lever Lock™
plates provide 1.78"
(45mm) or 1RU
storage depth for AV
equipment

LEVER LOCK™
plates are
compatible with
FORWARD small
device mounting
accessories

AS3LD
