

RACKS & POWER

Being in the AV industry for over 40 years, Middle Atlantic has gained a reputation for durable and high-quality products. With the ability to add as many security features as needed, Middle Atlantic is ideal for any military training room, control room, or boardroom.

BGR RACKS

For maximum mounting capacity on and off the rail

What the buyer wants to know:

- Includes Lever Lock™
- Includes Forward small device clamps for quick mounting of small, non-rackmount devices without any hardware
- Includes Thermal Management
- Included Horizontal and Vertical Cable Management

Available in: **Varied product configuration, rack unit count, depth, and rear door addition**

LUNDHALSEY

For premier control room furniture solutions

What the buyer wants to know:

- 63"W x 39"D worksurface for 2 operators
- Flip up cover on the worksurface for access to multi-purpose compartment
- 6RU of rackmount with front and rear access to equipment
- Factory installed corner LED option for visual status control and can easily signal security clearance levels within a room with different codes (code red, code blue)

Available in: **Kontrol Command consoles and e-Type II consoles**

LEGRAND NETWORK PDUs

More power demanding applications

What the buyer wants to know:

- IP controlled power
- 120V and 208V
- 15A, 20A, and 30A
- Up to 42 outlets
- Rackmount and vertical form factors

Available in: **Varied form-factors, voltage, input-plug types, and output-plug types**
