## SNE30N-4542

### SNE Series Pre-Configured Cabinet for Networking Systems with Internal Vertical Cable Managers

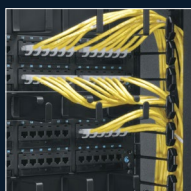

30" Wide, 45RU, 42" Deep Pre-Configured Cabinet for Networking Systems with internal Vertical Cable Managers, Solid Split Rear Door and 10-32 Threaded Rackrail.

The SNE Series Networking cabinet is designed for systems with dense cabling when utilizing network-patching equipment. It comes equipped with internal cable ducts to properly route and protect your cables inside the cabinet. Use the patented Tool-Free Lever Lock™ system to mount small devices on the side of the cabinet to free up rackspace.

### PRE-CONFIGURED WITH
