

Product Cross Reference

Are you using a legacy model in the Da-Lite electric screen portfolio? Check out the handy cross reference below to see what new Myriad model stacks up.

Myriad is an all-new ceiling recessed, wall and ceiling mounted electric screen system. Available with 16' (5 m) of SightLine™ cable drop, which gives the impression of a floating screen, Myriad is offered in sizes from 14'-16' (4-5 m) wide in 16:9 HDTV and 16:10 Wide formats. Tensioned products are available with HD Progressive 16K ready and Parallax® Ambient Light Rejection screen surfaces. Smart integrated anchor points for roller suspension allows for easy maintenance.
