

Voyager

MOBILE CART

Move with Style

[Voyager™](#) is a compact mobile display solution to support flexible conferencing and collaboration in workspaces and digital signage. Built-in cable management and small device storage create quick and attractive AV installations. Sleek handles and a stylish woodgrain shelf promote accessibility and effortless movement.

Camera and speaker mounts integrate with a wide range of conferencing and collaboration technologies. The slim footprint of Voyager invites users to easily step up to interactive displays and move freely around the cart. Future proof conference rooms with an adaptable mobile cart compatible that accepts a wide range of displays.

High-quality, lockable casters ensure smooth movement, safety and stability

[PACL2 LeverLock™ storage plate](#) included for convenient mounting of small devices.

Lower storage area accommodates [PACL1 Lever Lock storage plate](#), sold separately

Displays can be mounted in landscape or portrait orientation. [Freestyle Flat Panel Rotation Adapter](#) accessory provides rotation from landscape to portrait orientation with rotating displays like MS Surface Hub and Samsung Flip 2.

FEATURES

- 175 lbs. weight capacity supports most touch displays up to 75" for interactivity
- Supports display mounting in portrait or landscape orientations.
- Robust display mounting with manual height adjustment, accommodates multiple heights and displays sizes
- Technology agnostic; providing peace of mind to future-proof your investment
- Ideal for corporate conferencing and collaboration, higher education collaboration spaces, digital signage for hospitality, and much more.
- Sophisticated design: elevated aesthetics to complement contemporary spaces
- Camera and speaker accessories integrate with a variety of popular conferencing and collaboration technologies
- Easily removable panels to conceal AV component storage for clean, attractive installation and cable management
- High-quality casters for easy, smooth movement with lockable rear casters
- Compact, low-profile footprint and sleek handles promote accessibility to technology and storage
- Installer inspired design for fast, intuitive assembly and installation
- Stocked globally for quick shipping
- Listed to UL 1678
