FUSION® STORAGE CABINET

The Fusion Storage Cabinet is ideal for applications where installing small devices behind the display is not an option. The stylish cabinet allows up to three 15" x 10" (40 x 25 cm) Lever Lock plates or a combination of Lever Lock plates and 19" rackmount equipment to be installed. What's more, the cabinet seamlessly integrates with Fusion Mounts and comes with a universal videobar mount.

FORWARD ACCESSORIES

The Forward range offers rack rail, mounting clamps, and rings to fix small devices and manage cables. Compatible with the Proximity Panels and Lever Lock plates, the clamps and rings can be simply popped into a slot. No more fumbling with tiny hardware, cable zip ties or double-sided tape.

LUXUL

SWITCHES

Expand your network for IP cameras, control panels and much more using our 4- or 8-Port Unmanaged PoE+ Switches. The silent and compact switches are durable, offer various mounting options and are easy to operate.

MIDDLE ATLANTIC

SELECT SERIES PDU WITH RACKLINK™

Monitor your power anytime, anywhere and automatically with Select Series PDUs with RackLink. Use sequencing for optimal start-up or shut down progression and monitor your devices remotely using the RackLink Native UI, the free RackLink Cloud or third-party AV control systems.
