

DIRECT-VIEW LED INSTALLATIONS MADE EASY

Direct-view installations can be complex at times, and if your installation team is busy with other priorities, Chief simplifies this process with TiLED Solution Services.

THREE SUPPORT LEVELS

ASSISTED SERVICES

If you need guidance or advice with any part of the installation process, contact our Legrand AV tech support team for quick, reliable tips and advice. In addition, online access to spec and configuration tools like MountFinder™ and the TiLED Design Tool provide quick and convenient assistance.

EXPANDED SERVICES

If you want personalized design consultation for your LED installation, consult Legrand AV Sales, Product Management or Engineering professionals to create a solution designed specifically for your dvLED installation

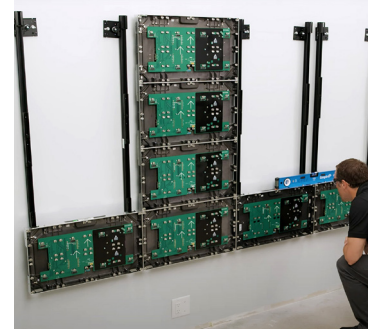

AMPLIFIED SERVICES

If you want a start-to-finish consultation including customized design, engineered solutions, and labor assistance to supplement your expertise, choose amplified services for a perfect set-up.
