of NYC, New York, NY**

REVIEWS

"It is recommended that post-surgical garments are kept on as much as possible during the prescribed timeframe by doctors. For this reason, EMCAS doctors recommend the use of Leonisa's high quality Post-Surgical Garments for their comfort to ensure our clients have the best care in their recovery."

**- Dr. Phạm Xuân Khiêm, EMCAS
Ho Chi Minh City, Vietnam**

"I have used Leonisa garments for my patients for over nine years. Leonisa's customer service is top notch and their garments are durable, long-lasting and aid in optimal results. In fact, many of my patients continue to wear them long after their recovery."

**Craig Staebel,
MD Georgetown Plastic Surgery
Georgetown, TX**

"After trying Leonisa...I have left all other surgical garment brands in the past. The quality of Leonisa products far exceeds that of other brands...Not only are my patients receiving what I believe to be the best surgical garments on the market today, but they are doing so at a fraction of what it once cost me."

**Dr. Elie Levine, MD Plastic Surgery &
Dermatology of NYC

"The Leonisa post-surgical garments...are both
"We are very happy we switched over to Leonisa for our post-procedure compression garments. They are so comfortable and securing for the patients, a lot of them come back for more! They offer a variety of options and colors to fulfill each of our patients' needs as well."
