

Suzi Humbert is a multi-disciplinary artist, including movement, painting, photography, mixed media, and fiber arts in her creative process. Suzi uses a mindful approach to colors, shapes, ideas, and events. Suzi is constantly inspired by the world around her and loves to capture *Creative's* creating. Music, life, and Connections are all themes found throughout her work. Other themes explored are Loving-Kindness, hearts, still life, plein air landscapes, children's stories, mythical beings, fluffy fiber arts, knitting, and primary color studies. Suzi is a Mental Health Specialist, currently working on her Masters in Mental Health Counseling, is a Creative Life Coach, and Advocate in the Denver/Arvada Colorado area.
