Badkamerspiegel op maat? Dat kan!

LooX spiegels worden namelijk gemaakt vanuit onze eigen spie-gelfabriek in Deventer. Stel jouw ideale badkamerspiegel op maat samen. Met het spiegelproduc-tieteam van LooX in Nederland is alles mogelijk.

De mooiste spiegel op maat

Badkamerspiegels vind je in diverse uit-voeringen. Veel van onze badkamerspie-gels zijn voorzien van helder ledverlichting en handige spiegelverwarming. Onze spiegels zijn ook op maat te bestellen. Eigenlijk is alles mogelijk. Kies onder andere jouw gewenste maatvoering. Verder kan de badkamerspiegel o.a. wor-den voorzien van diverse verlichting, scha-kelaars, verwarming, afgeronde hoeken en zelfs met bluetooth speaker.

Looking for a custom-made bathroom mirror?

LooX mirrors are indeed manu-factured in our own mirror factory in Deventer. Customize your ideal bathroom mirror to size. With the LooX mirror production team in the Netherlands, anything is possible.

Beautiful tailor made mirrors

Bathroom mirrors are available in many different models. Many of our bathroom mirrors are fitted with bright LED lighting and handy mirror heating. You can order our mirrors in exactly the size you want. In fact, everything is possible. For example, you can choose exactly the size you want. You can also have your bathroom mirror fitted with different types of lighting, switches, heating, rounded corners and even a Bluetooth speaker.

Un miroir de salle de bains sur mesure? C'est possible!

Les miroirs LooX sont en effet fa-briqués dans notre propre usine de miroirs à Deventer. Personna-lisez votre miroir de salle de bain idéal sur mesure. Avec l'équipe de production de miroirs LooX aux Pays-Bas, tout est possible.

Les plus beaux miroirs de salle de bains sur mesure

Il existe divers modèles de miroirs de salle de bains. Beaucoup de nos miroirs de salle de bains sont munis de lampes LED inten-ses et dotés d'un système de chauffage pratique. Nos miroirs peuvent aussi se commander sur mesure. Finalement, tout est possible. Choisissez entre autres la dimension requise. En outre, le miroir de salle de bains peut par exemple être doté de divers types d'éclairage, d'interrupteurs, de chauffage, de coins arrondis et même d'un haut-parleur Bluetooth.
