

Sixth Form Dress Code and Guidelines

We expect all students in the Sixth Form to have a smart and business-like appearance for school and to adhere to the sixth form dress code.

Students are expected to wear the school suit consisting of jacket and skirt or trousers which can only be purchased from the LSF School Uniform Shop or the PA Exchange Shop. This can be worn with a top of your own choice and personalised with discreet jewellery, scarves etc. but all items of clothing must conform to the guidelines below:

- All tops must be smart, modest and long enough to cover the top of the skirt or trousers; bare midriffs are not allowed.
- Writing, pictures and/or logos should not feature on any tops.
- Coordinating dark or flesh coloured tights should be worn at appropriate times of year. If socks are worn they should be in keeping with smart business dress.
- Footwear must be smart and sensible: there should be no trainers, plimsolls, flip-flops, very high heels, backless shoes or boots.
- Coats, if worn, should be in a dark colour and in keeping with business attire. No logos are allowed.
- Hair should not be coloured in a way that makes it conspicuous to the school community.
- Make up, if worn, should be minimal and natural.
- Jewellery may be worn and should be in keeping with a business-like appearance. On single earring may be worn in each ear and there should be no other visible piercings.

PE Kit

Games kit and hoodies should only be worn for PE or recreation activities on a Wednesday afternoon. Appropriate active wear for the activity being undertaken should be worn.

Please adhere to these guidelines. Remember you are setting an example to younger pupils and acting as ambassadors for the school in the wider community.
