※ Ex3:錯誤改正(每段 3			
以下段落中含有3個比較	聚級或最高級的錯誤,請找出並改正:		
Tom is the more hardworking st	udent in our class. He always finishes homework fastly than		
others. Yesterday, he completed	the project in two hours, which was the quickliest among all		
students. No wonder he always	gets good results!		
Ex3			
Last weekend, our school sent 2	20 students to join the Inter-school Leadership Camp. It was one		
of(ch	nallenging) experiences we've ever had. Compared to another		
group from our school,, our grou	up was definitely than (determined) and		
(careful) when completing tasks.		
On the first day, we had to climb	o a rope wall. Jason tried hard, but his technique was much		
(bad) tha	nn expected. Luckily, Emily, who is one of		
(loving) and	(helpful) students I've ever met, encouraged him to		

keep going. In the end, he did better than his first try, though still not (good).
During the night hike, we had to rely on our senses. The forest became darker, and the moon was
the only thing shining in the sky. It was getting (cold), and we had to be
(careful) with every step.
On the last day, we had a team presentation. Our idea wasn't
(creative), but our teamwork was much (strong) than that of other schools.
Even though we didn't win first prize, our team spirit was (bright) thing that
shone through.
