Additionally, cosmetics or consumables are not covered.
4. Exclusions:
The warranty will not apply to the damages caused by the following situations:
 - Abuse and Misuse. Defects or damage that result from: (a) improper operation, improper electrical connection, storage, misuse or abuse, accident or neglect such as physical damage (cracks, scratches, etc.) to the surface of the product resulting from misuse and lost parts; (b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; (c) use of the product for commercial purposes or subjecting the product to abnormal usage or conditions; or (d) other acts that are not the fault of Luminess Air, are excluded from coverage.
 - Failure to Clean and Maintain. Customer must follow cleaning and maintenance instructions as provided in instruction guide and DVD. Failure to properly clean the product will result in product working incorrectly and may cause failure of the product, which is excluded from coverage under manufacturer's warranty.
 - Use of Non-Luminess Products or Accessories. The Luminess Air airbrush system is designed for operation using only Luminess Air certified products. Defects or damages that result from the use of non-Luminess Air certified products or accessories are excluded from coverage and will void the warranty.

 6. What Luminess Air will do: If a defect occurs during normal residential usage in the United States, Luminess Air will, at its option, repair or replace the unit, or make appropriate adjustment, provided Luminess Air shall have no obligation to repair, or replace until the defective product has been returned to Luminess Air along with a dated proof of purchase and a warranty return authorization (WRA).
