NEW

SUSTAINABLE *packaging*

Take-away concepts have one disadvantage - packaging waste. We offer particularly environmentally friendly solutions that both in terms of production and disposal.

TAKE AWAY

With the pandemic, our take-away range has grown considerably. New materials, shapes and branding ideas have been added. It is important to us that your dishes and drinks always retain their visual and gustatory quality.

DUNI

Disposable tableware Eco, Salti, Sop and Clam

Optimally suited for to-go use. Made from high quality, environmentally friendly bagasse, a waste product of sugar production. Easily biodegradable under conditions of controlled composting. The transparent lids are made of CPLA - a modified polylactic acid. A bio-based plastic that composts completely within a short time compared to petroleum-based plastics. Certified according to EN 13432. The salad bowl and soup cup are made of cardboard with PE inner coating. Lunch box made of FSC® certified cardboard - plastic free because without coating. Lunch box made of FSC® cardboard and crystal clear PLA. Stackable, waterproof, grease resistant, heat and cold resistant, temperature resistant and microwaveable up to 100°C (sugar cane). Salad box, lunch box made of FSC® cardboard. Temperature resistant from 0°C to +40°C, soup cup temperature resistant and microwaveable from 0°C to +120°C.

Material: bagasse (sugar cane), CPLA lid, salad bowl, soup cup and lid cardboard/inner coating PE, APET lid amorphous polyester, FSC® cardboard and paperboard.

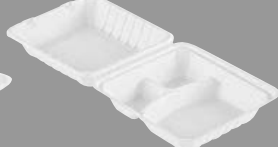

Microwaveable!
Compostable!
