find their place in the world
every day, one home at a time.

Your home. Our mission.

Our community

Collaborative and connected, our agents enjoy direct access to the country's top properties and the 11,000+ brokers who represent them. But just as we leverage our national network, we're also keenly attuned to the nuances that make each market so special.

Our homes

Our in-house marketing and advertising agency ensures that every Compass listing is portrayed beautifully and authentically, elevating your search to the next level. And with Coming Soon, your agent can show you properties ahead of anyone else in the market.

Our platform

Developed in-house, all of our technology is designed to enhance your experience. Together, you and your agent can filter and sort properties across custom parameters, compare market trends, and comment on listings in real time.
