LUXURIES**

Located on sandy Malibu Colony beach, this stunning architectural four bedroom residence plus guest studio evokes the essence of Malibu sophistication on the beach. Gated for privacy, one enters into a large fully landscaped courtyard complete with a modern stone water feature leading to a large glass enclosed sky-lighted entry.

The beautifully furnished dining and living area featuring retractable buffets, soaring ceilings, art walls, and ocean side wall of glass boast impressive ocean views.

A private stairway takes you to the ocean view master bedroom and bath equipped with a glass privacy partition, skylights that allow you to look at the stars in bed as well as a sitting area and oceanfront patio. The detached studio is complete for live in staff or visiting friends.
