Whether you are buying or selling, no one will work harder for you. I promise you will be pleased with my service. My testimonials will show you the level of commitment and service I provide to my buyers and sellers. I'm most appreciative of my friends and loyal customers who have made my real estate career so enjoyable.

I know and love the "South Coast" area and appreciate all it has to offer. I have lived in New Bedford for over 30 years and I am currently living in a charming older home in the St. Luke's/Buttwood Park area. I have personally owned several historic homes and have experience in overseeing major renovations. I try to contribute my small part in making New Bedford all it can be. Let me put my knowledge to work for you...either buying or selling!
