ANNUAL BACKPACK STUFFING PARTY FOR THE HOMELESS

live. love. give!
 Sophie Tel Diaz Real Estate

Longtime MHMR Tarrant and Visions supporter Sophie Tel-Diaz, a real estate agent in Colleyville, along with her friends and business colleagues, spent two months collecting backpacks for the Homeless Clinic on Lancaster. Sophie, along with husband Drew, wanted to beat the number of backpacks they collected in 2017, a grand total of 500. This past Christmas, the Diaz family dropped off double their previous donation, a total of 1,000 packs, on November 9th, to be distributed throughout the holiday season to people in need. The packs are each loaded with essential items including water, toiletries and other assorted essentials. Diaz's job wasn't finished there, she donated 1,000 blankets that were also delivered in December. We thank the Diaz Family, the Colleyville Chamber of Commerce, and all of the people who supported this project for their continued commitment to help change lives.

For nearly 50 years, MHMR Tarrant has improved the lives of people with health care needs, such as substance abuse, psychiatric disorders, and intellectual delays and disabilities. Using innovative approaches, MHMR partners with individuals and families, and collaborates with other community organizations to provide services and a hopeful future.
