2nd Annual Westchester CA Team Challenge Recap

By Amy Nelson Frelinger

What a delightful SoCal day we shared on Saturday, August 6th, when an assortment of 70+ neighbors, friends and community groups came out to play together at the **Westchester CA Team Challenge (WCTC)**! With 7 different teams competing in 5 scored events, LMU's Drollinger Field was rockin' with sports, spirit and style. From corn hole, bocce ball and football toss to hold-the-rope and three-legged races, each team member got to show their prowess. High fives, cheers and encouragement were enthusiastically dished.

As long-term Westchester residents and active community volunteers, Grant Francis and I were mutually motivated to create this event as a vibrant demonstration of our lifelong commitments to living active lives and our dedication to creating joyful community cooperation.

Charitable Foundation for funding and facilitating access to this great field space. Gratitude to Cozette Vergari and Rotarians Fighting Human Trafficking for their support. Bravos for the sponsorship of the Westchester BID (Business Improvement District) and the GatewayLA BID who work diligently to help businesses grow, prosper and succeed here locally. Finally, sincerest appreciation to Jeff DeLarme of DeLarme Wealth Management for his support of this event, as well as our print partners, Westchester Living Magazine and HomeTownNews.

The goal of this event is two-fold:

1. To share in some active community fun and
2. To raise awareness and funds for a worthy neighborhood cause, the Westchester Streetscape Improvement Association (WSIA).

WSIA is a nonprofit that has dedicated itself to improving and beautifying our thoroughfares, especially Sepulveda and Manchester. To learn more, please visit their website at: <https://www.westchesterstreetscape.org/>

With the generous support of our valued sponsors, this half-day event raised over \$3000 for WSIA. Special thanks to the Drollinger Family
