

# MAGMA® CONTROL VALVE REGULATOR HISTORY

1986–1992

**Production Time**....1986–1992

**Model #** .....None

**Color**.....Ford Blue w/Metallic Blue Label on Knob

**Model Markings** ....None

**NOTE:** Model has an all brass fitting and orifice threaded into valve body.

1992–1993

**Production Time**....1992–1993

**Model #** .....400

**Color**.....Unpainted Cast Aluminum w/Black Anodized Top

**Model Markings** ....Model 400 LP Gas Regulator Marshall Gas Controls

**NOTE:** Model has an all brass fitting and orifice threaded into valve body.

1993–1998

**Production Time**....1993–1998

**Model #** .....6000

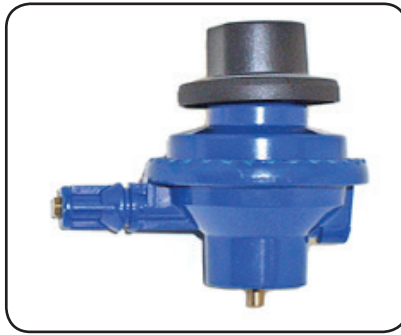

**Color**.....Ford Blue

**Model Markings** ....Model 6000 Precimex LP Gas Regulator

**NOTE:** Model has small brass orifice threaded directly into valve body.

# MAGMA® CONTROL VALVE REGULATOR HISTORY

**1999-02/2003**  
(First Production)

**Production Time** ....1999-02/2003 (First Production)

**Model #** .....6001

**Color** .....Ford Blue

**Model Markings** ....Model 6001 9851 Mexico LP Gas Regulator

**NOTE:** Model has small brass orifice threaded directly into valve body.

**1999-02/2003**  
(Last Production)

**Production Time** ....1999-02/2003 (Last Production)

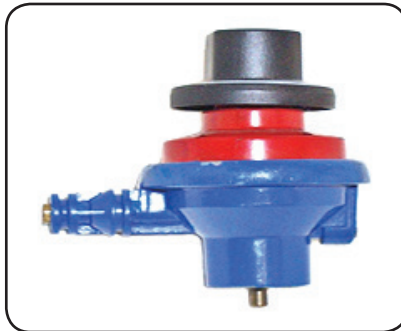

**Model #** .....6001

**Color** .....Ford Blue

**Model Markings** ....Model 6001 0204 Mexico LP Gas Regulator

**NOTE:** Model has small brass orifice threaded directly into valve body.

**01/2003-06/2007**  
(First Production)

**Production Time** ....01/2003-06/2007 (First Production)

**Model #** .....6001

**Color** .....Ford Blue w/Fire Engine Red

**Model Markings** ....Mod 6001 Mexico LP Gas Regulator

**NOTE:** Model has small brass orifice threaded directly into valve body.
