MAGMA[®]

U S A

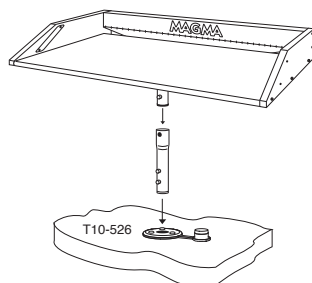

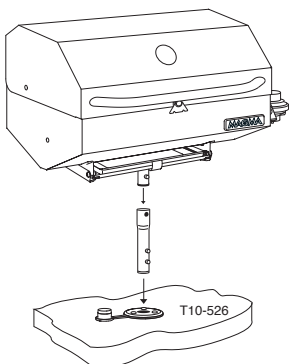

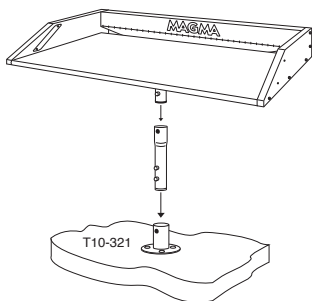

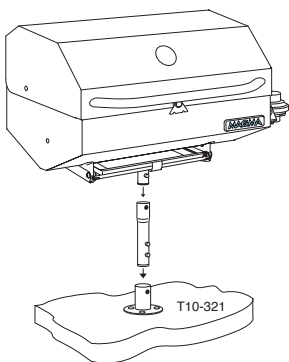

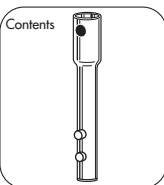

Fits Magma Single Mountable
Rectangular Grills,
Single Mount "SM" and
Tournament Series Tables

6" (15.0 cm) "SINGLE" GRILL AND TABLE HEIGHT LOCKING EXTENSION SET

If your gunnel or mounting surface is a bit too low, bring your grill or single mount table to a more convenient height with one of these single locking socket mount extension. Constructed of 304 stainless steel tubing for superior corrosion resistance in even the harshest of marine environments. The locking spring clip mechanism secures your grill or table in place while allowing for quick convenient disassembly and storage. Designed for use with any Magma "Single Mount" locking socket mount assembly.

NOTE: Cannot be used with T10-515 kettle grill mount.

- Fits all Single Locking Socket Mounts
- Grills and tables sold separately.
- Single locking socket mount sold separately.
