

Fits Magma Rectangular Grills, Single Mount "SM" and Tournament Series Tables

Standard Duty

Contents:

Fits Oversize Round Rails 1-1/8" (28.5mm) or 1-1/4" (32mm)

This mount combines the versatility of our popular "Levelock"® all-angle quick release, cam-action mount for instantaneous leveling, with our sturdy vertical, out-over-the-water Round Rail Mount. This mount is made entirely of 18-9 stainless steel and 356 anodized aluminum to outlast even the most severe marine environments. Quickly disassembles for stowage without tools, leaving no hardware on the rail.

• CAUTION •

Plastic adaptor shim not for use on horizontal or diagonal rails, use only on vertical rails.

NOTE: Instructions and fasteners for mounting to Magma Rectangular Grills, Single Mount "SM" and Tournament Series Tables are included with the grills and tables.

Note: Not recommended for use with the A10-1225 "Monterey" Gourmet Series Gas Grill.
