**Fits Large Round Rails  
1-1/2" (38mm)**

This mount combines the versatility of our popular "LevelLock"® all-angle quick release, cam-action mount for instantaneous leveling, with our sturdy vertical, out-over-the-water Round Rail Mount. This mount is made entirely of 18-9 stainless steel and 356 anodized aluminum to outlast even the most severe marine environments. Quickly disassembles for stowage without tools, leaving no hardware on the rail.

**NOTE: Instructions and fasteners for mounting to Magma Rectangular Grills, Single Mount "SM" and Tournament Series Tables are included with the grills and tables.**

**Note:** Not recommended for use with the A10-1225 "Monterey" Gourmet Series Gas Grill.

**IMPORTANT: Make sure that the handle is tightened fully.**
