

Care and Use: A10-141 LED Grill Light

SAFETY:

- When grilling do not leave lid open with light bracket in open position for extended periods of time, leaving lid open for extended periods of time with light bracket open will cause light to become hot.
- Always use hot pad or oven mitt when handling hot grill.

CAUTION:

To prevent overheating light fold back out of direct heat source during extended use

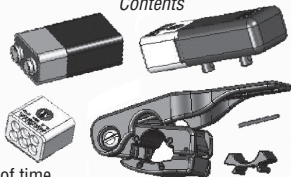

INSTALLATION / ASSEMBLY INSTRUCTIONS

USE:

- Prior to use; ensure light is properly assembled, installed to mounting bracket, and grill lid handle.
- Open grill lid, turn light on & extend/adjust light bracket to the proper location to illuminate grilling surface.
- Never leave light attached to grill when not in use.
- Never use light without protective silicone cover.
- Never leave light in direct sunlight for extended periods of time.

Contents

CLEANING:
