BAJA™ Gas Grill C10-603T
Grill Area: 162 sq. in. (1045 sq. cm)
Primary: 9 x 18 in. (23 x 46 cm)

The *Baja Gas Grill* by Magma is perfect for large groups, family picnics, camping, RV'ing, or tailgating at the big game. This grill's features include: 100% mirror polished stainless steel construction to withstand even the harshest environments, an efficiency designed combustion system that keeps the grill lit even in heavy winds and an electronic pulse ignition system that lights the first time, every time ("AAA" battery included). This grill has been equipped with fold-away table top legs and a hermetically sealed grilling thermometer. The swiveling control valve/regulator allows for quick, safe 1lb. fuel canister exchanges or easily adapts to larger propane tanks, natural gas, or existing low pressure propane (LPG) and natural gas (CNG) fuel systems. Highly fuel efficient, this grill's compact design, light weight, and large selection of accessories make it the perfect addition to enhance all of your outdoor adventures.

The smaller relative of the Baja. The *Mesquite* (shown right) is a full service grill built into a compact, portable package. This grill boasts the same features and quality engineering as our larger models, all packed into a 9' x 12" grill surface. We don't compromise quality for size. Feed the whole family with the *Mesquite* Traveler Series Gas Grill.

SIERRA™ Gas Grill C10-603A
 Grill Area: 162 sq. in. (1045 sq. cm)
 Primary: 9 x 18 in. (23 x 46 cm)

Designed for today's outdoor grilling enthusiast who doesn't compromise quality for cost, the Sierra™ and smaller Alpine™ are constructed of 100% mirror polished stainless steel. Both grills feature a balanced locking lid; durable, stay-cool polymer handle; fold-away table top legs; locking, side-access grease tray, and locking radiant plate for even heat distribution. Equipped with a swiveling control/valve regulator for quick, safe fuel exchanges and designed to use standard 11lb. propane fuel canisters or adapt to existing low pressure propane or natural gas fuel system. It's compact design, light weight, and large selection of accessories make the "Adventurer Series" Gas Grill a truly go-anywhere grill.
