Hennessy Ellipse No.11 Cognac 40%.....	15ml	1.915,00 kn
.....	30ml	3.330,00 kn

Hennessy is known for its mastery of the art of blending. All Cognac is made by blending eaux-de-vie, and the blend for Hennessy Ellipse is the result of seven generations' worth of know-how and expertise – what the French call savoir-faire. Hennessy Ellipse is a blend of seven ultra-special eaux-de-vie, each having been handpicked by one of the seven master blenders that have overseen production at Hennessy since 1800. This one is made from eaux-de-vie derived from a seriously impressive list of back vintages – 1830, 1848, 1875, 1932, 1947, 1972 and 1995! Introduced in 2006, only 2000 bottles of this Prestige-aged Cognac have been produced

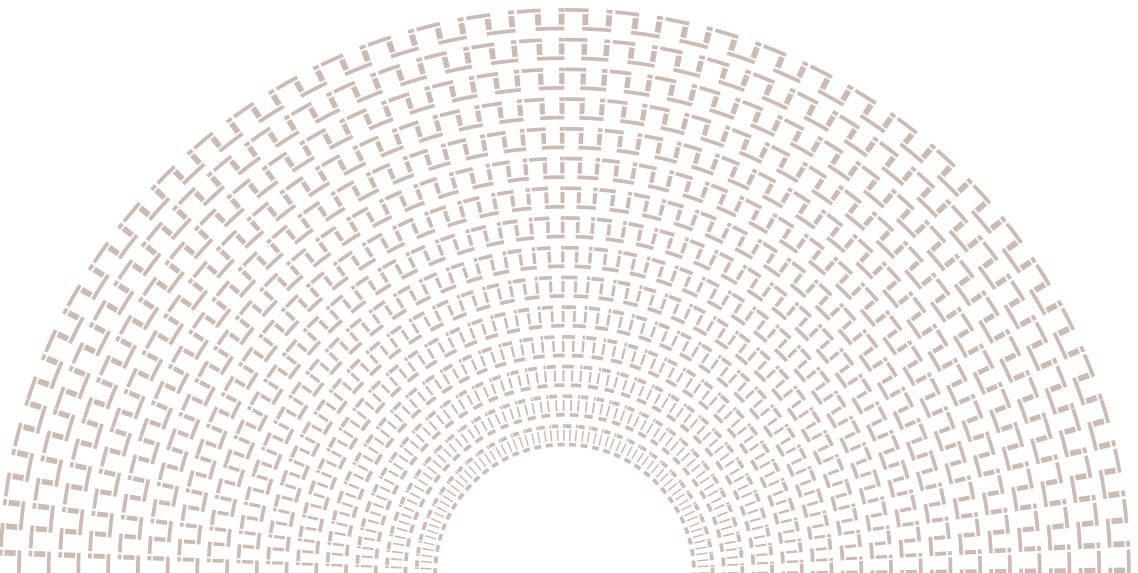

Delamain Le voyage de Delamain Cognac 42%....	15ml	1.265,00 kn
.....	30ml	2.530,00 kn

Le Voyage de Delamain has been produced using the house's oldest and best Grande Champagne eaux-de-vie (although not stated, some are rumoured to be at least 50 years old), a hallmark of quality and a testament to the house's long history in the region. These well-aged eaux-de-vie have been waiting patiently in the house's cellars by the Charente rivers, resting in large, well-sealed demijohns until the ultimate moment of maturation. Only 500 bottles of this collector's Cognac have been produced.
