

Levon

Kroz Hrvatsku

*Lokalno nasljeđe podrazumijeva agresivan ponos,
ali i temperament profinjene prirode, u kombinaciji s
preciznošću lokalnoga i modernoga. Na tragu ribljeg
bistroa uz lokalno hranjenu ribu. Bistro Lovor bit će vaše
odredište za vrijeme ručka.*

*Današnje vrijeme prepuno je ceremonija i interakcije,
no kod nas je jasna definicija – mahnitiji i neformalniji,
preobražava se u prednost i vedrinu na otvorenom.*

Trough Croatia

*A proud local heritage and all the implied aggression that
goes with that, but tempered by refined nature and the
gathered precision of a contemporary locale. A pathway fish
bistro using local foraged fish*

*Lovor fish bistro will be a destination in it self during lunch.
The venue is steeped in ceremony and interaction but there
is a clear definition – the frantic and informal morphs into
the comparative serenity of the outdoors*
