

M O Ć K A P L J I C E  
T H E P O W E R O F A D R O P

Uistinu je zadivljujuće koliko emocija u trenutku stvara miris jedne kapljice. Sreća i ushit, ljubav i čežnja poput nezaustavljive lavine struje našim tijelom. U mislima se vraćamo zelenoj livadi kojom se širi miris svježih pokošene trave, otkrivamo netaknute grmove malina, a zaboravljene slike iz djetinjstva poprimaju obrise bakina seoskog dvorišta.

Sva ta bujica sjećanja,  
a samo jedna kap?

Uživajte u ispijanju dragocjene tekućine koja svoj miris skriva u plutenom čepu, uza zvonki zvuk koji stvara izlazeći iz uske staklene košuljice.

Otvorite put čaši savršenog dobrog vina. U zdravlje!

It is truly amazing how much emotion is momentarily created by the smell of a single drop. Happiness and delight, love and yearning rush through our bodies like unstoppable lava. In our heads, we are going back to a green meadow spreading the smell of freshly mown grass, we discover intact raspberry bushes, while some forgotten images from the childhood draw the contours of grandma's village yard.

This entire torrent of memories comes from a single drop?

Enjoy drinking the precious liquid hiding its aroma in a cork, extracted from its narrow glass outfit with a distinctive sound.

Open the path for a glass of perfectly good wine. Cheers!
