

## HOW TO REACH US?

Dear hotel guests and visitors, Since our island is located in the Rovinj archipelago, we have provided transport for you with our boats, as well as parking spaces for your cars. Following the white signs of the **Maistra** company, marking the **Hotel Istria** and **Hotel Katarina**, you will reach the Island Hotels reception at the “Delfin” dock, where you will be greeted by our staff.

After you find the reception desk, allow them to direct you to the parking lot, located 1100 m away, by following our “Shuttle” which is available to guests for arrivals and departures. The parking lot is uncovered and guarded all day and night in a closed yard. The parking, transfer to the “Delfin” dock, and transport to the island by boat are included in the price of accommodation. The boat departs almost every hour from 05:30 a.m. until 0:30 a.m.
