UNIQUE DESIGN HOTEL ROVINJ CROATIA

LOVE is lone weddings

$\underset{guest}{Be}_{my}$

Hotel Lone is Maistra's design hotel. Like a luxury cruise liner nestled on the hillside, Hotel Lone presents seductive, minimalist curves that are influenced by Rovinj's unique natural landscape.

Lone was conceived to be a place of inspiration and a showcase of the Croatian design industry, a place where the concept of interesting and functional spatial design are nurtured. The contrasting differences of this modern masterpiece against the lush greenery of the dense forest complement each other, creating a superb environment for a picture-perfect Istrian escape.

The beautiful rooms have a minimalistic design with simple lines, stone, luxurious fabrics and large glass walls. Several gourmet restaurants offer traditional and modern Mediterranean specialties, regional and Central European cuisine, slow food and much more.

Weddings at Island Hotel Katarina

An extraordinary island hotel surrounded with Mediterranean vegetation...

Katarina is the island closest to Rovinj where you can enjoy an exclusive stay in a retro-style historical hotel, swimming in a pool or hidden-away island coves, a lunch by the beach, sports activities, or walk through the Mediterranean gardens. After a 5-minute romantic boat trip, continue your stroll along the narrow streets of Rovinj's old town center.

Hotel Katarina is situated on a wonderful island across from the historic center of Rovinj. The island, sharing its name with the hotel, is the second largest island within the Rovinj Archipelago.

It features abundant Mediterranean vegetation, promenades and 19thcentury parks boasting magnificent views of the town, of the Zlatni Rt forest and the rest of the Rovinj Archipelago. It is also distinctive, as the remains of an old castle were integrated into the hotel building, giving it a touch of the Austro-Hungarian Empire.

Wedding celebration

Have your first dance at Hotel Katarina, a stately home from the beginning of the 20th century on the eponymous island.

The banquet hall with a luxurious marble floor, romantic Mediterranean garden with a fountain, rooms with an antique charm and beautiful views of the sea and the historical town center of Rovinj will turn your wedding into a timeless event.
