

You simply feel at home where your language
is spoken and where the land is so generous.
The differences, which have generated complexity
and forged the proud character of people,
here they fade away.

The Adriatic Sea connects us.

From Friuli to Istra
we are carrying our suitcase
full of tastes and traditions, so that they can be joined
to the scents and culture of these places.

match / memory

layering

one thousand days

capturing lightness between contours

Spring 2024
