

*Kako dvanaestogodišnjakinja
može čuvati grad? Onako
kako samo svetica može –
budnim okom i suosjećajnim
srcem. Crkva, koja se nalazi
na najvišoj točki u Rovinju
i vidljiva je iz svakog kutka
grada, nosi njezino ime.
Stanovnici Rovinja izgradili
su crkvu Svete Eufemije kao
dom za njezino tijelo koje je
misteriozno isplivalo na obale
Rovinja prije otprilike 1200
godina. Otad je zaštitnica
grada Rovinja. Pogled na grad
i crkvu Svete Eufemije u kojem
mogu uživati svi gosti našeg
bara zaslužuje zdravicu.*

How can a 12-year-old girl guard a town? The way only a saint can – with an observing eye and a compassionate heart. The church, standing on the highest point of Rovinj and seen from every corner of the town, bears her name. People of Rovinj built the St. Euphemia Church as a home for her body that mysteriously surfaced on the shores of Rovinj some 1200 years ago. She has been guarding the town as its patron saint ever since. A view over the town and St. Euphemia Church, so spectacularly offered to every guest of the bar, deserves to be toasted to.
