WELCOME TO

THE BOUTIQUE HOTEL MLINI!

Our professional and friendly staff will make sure you have a pleasant and relaxing stay at our hotel.

Only a stone's throw away from the sea, the Mlini Hotel boasts a stylish design and a personalised approach to each guest. Its modern rooms are equipped with cosy beds, a thermos pot, coffee and tea appliances and a fast Internet connection.

As its very name suggests, the Hotel is located at the heart of Mlini, a picturesque town near Dubrovnik.

Koliko su zapravo blizu Dubrovniku najbolje govori činjenica da se nekada voda iz Mlina vozila u Dubrovnik, pogotovo u ljetnim, sušnim mjesecima.

Mir i prirodne ljepote s jedne i blizina Dubrovnika s druge strane čine hotel Mlini savršenim mjestom za romantični bijeg od svakodnevice.

Da ne zaboravimo, kao gosti hotela Mlini na raspolaganju imate bazene, wellness & spa i teretanu hotela Astarea.

Uživajte u odmoru!

The fact that Mlini once used to supply water to Dubrovnik, especially in dry summer months, best proves how close they are.

The tranquillity and the breathtaking nature coupled with the vicinity of Dubrovnik make the Mlini Hotel a perfect romantic getaway from everyday routine.

Our guests are also welcome to use the swimming pools, wellness & spa centre and gym at the Astarea Hotel.

Enjoy your holiday!
