

# FORT WASHINGTON TECH CENTER

---

1100 VIRGINIA DRIVE | FORT WASHINGTON, PA

**New Class A office space**

**Large block availability**

Flexible, light-infused spaces in a prime suburban location

[fwtechcenter.com](http://fwtechcenter.com)

# OVERVIEW

The **Fort Washington Tech Center** presents 680,000 square feet of premier suburban office space, located conveniently along the Pennsylvania Turnpike in Fort Washington, PA. Its Class A status includes upgraded spaces with 15-foot ceiling heights and combines unparalleled amenities with modern infrastructure.

This dynamic environment is ideal in attracting new employees and retaining existing talent. Commuters by car and public transit have easy access with its location just off the Pennsylvania Turnpike between the Route 309 interchange and Virginia Drive slip ramp, and a private shuttle bus providing connections to the Fort Washington train station. Numerous on-site amenities include a fitness center, stylish modern eatery with outdoor seating, coffee shop, conference center, technology lounge, dual feed power, outdoor basketball court and a 1.5-acre outdoor plaza complete with a tiered seating area, flowering trees and lush landscaping.

# FORT WASHINGTON TECH CENTER

## TEAM

With world class amenities and an ideal commuter location, **Fort Washington Tech Center** offers a one-of-a-kind opportunity for prime suburban office space in the Philadelphia area.

### Ownership & Building Management

Founded in 2012, Opal Holdings is a prominent real estate investment firm based in New York City. Using strategic partnerships, Opal's real estate portfolio is valued at a market capitalization of over \$1,500,000,000. Opal Holdings targets value-added or opportunistic properties in the office, retail, residential, and hotel sectors looking to be repositioned or redeveloped. Through joint ventures with select high, net-worth individuals and institutional equity partners, the Opal acquisition team identifies, acquires, and adds value to underperforming real estate assets in prime locations and generates significant returns for investors and partners.

The Fort Washington Technology Center offers a full time, on-site property management staff team that includes a senior manager, administrator, security, day porter and building engineers.

### Leasing

JLL (NYSE: JLL) is a leading professional services firm that specializes in real estate and investment management. JLL shapes the future of real estate for a better world by using the most advanced technology to create rewarding opportunities, amazing spaces and sustainable real estate solutions for our clients, our people and our communities. JLL is a Fortune 500 company with annual revenue of \$16.6 billion, operations in over 80 countries and a global workforce of more than 92,000 as of June 30, 2021.
