## Our Lady's Message to Marija on May 25, 2023

Dear children!

I am calling you to go into nature and to pray for the Most High to speak to your heart and that you may feel the power of the Holy Spirit so as to witness the love which God has for every creature.

I am with you and intercede for you.

Thank you for having responded to my call.

## "Our joy...how close we stand with God"

Fr Joseph Mundakal reflects on his 40 years as a priest and the powerful intercession of Mary in his life. His priesthood would not have been without her miraculous intercession.

Fr Joseph points out to us that "our joy is not in what we have gone through, but how close we stand with God"

## "Love of the Father"

Fr Robert Rieger shares with us his insights that so much of the trouble in the world is because many don't have a relationship with God the Father.

Jesus wants this relationship for us, so he sends us His Holy Spirit, so we will know that we are God's beloved sons and daughters.

The temptation is to doubt we really are sons and daughters of God.

## "It is Jesus who gathers us"

Fr Tomas Surlis reflects that it is Jesus who gathers us and Jesus who brings us together through the Holy Spirit. Jesus refreshes and renews us so we can bring great hope and renewal to the world.

In our challenging times, he encourages us to open our hearts to the Holy Spirit and to be used as vessels of light and salt for the earth.

On our Journey as pilgrims in life, we are to place our trust in God and deepen our faith through prayer.

## "We come to be renewed and set aflame with God's love"

Fr Charles Becker recognises that to walk the ways of the lord can be daunting and difficult by our standards, but Mary ignites many flames for us to keep going.

To keep the commandments really truly does buy freedom.

Through a number of great stories which took place in the Cenacolo Community, he encourages us in the difficult practice of total reliance on God's providence...

# Fruit of Medjugorje - Bonnie Aberle Steen

Bonnie Aberle Steen shares her heartfelt story of healing through the power of confession, the rosary and adoration.

Having faced many difficulties throughout her life, she testifies to the truth of St Paul's letter to the Romans that "in all things God works for the good of those who love him" (Rom 8:28). Bonnie wished she knew the power of confession years ago, "it is life changing".

Bonnie's story brings to mind Our Lady's message of 2 January 2012, which is included at the end of the testimony video.

**Dear children,**

***As with motherly concern I look in your hearts, in them I see pain and suffering; I see a wounded past and an incessant search; I see my children who desire to be happy but do not know how. Open yourselves to the Father. That is the way to happiness, the way by which I desire to lead you. God the Father never leaves His children alone, especially not in pain and despair. When you comprehend and accept this, you will be happy. Your search will end. You will love and you will not be afraid. Your life will be hope and truth which is my Son.***

***Thank you. I implore you, pray for those whom my Son has chosen. Do not judge because you will all be judged.***

Cathy presents a "Moment with Mary" reflecting on the message this month.

## A Moment with Mary - reflection on the recent message

Our Lady has often spoken about the importance of going out into nature, of spending time in the natural world that God created for us. We live in a scientific age, and we may think that all the trees and plants and animals evolved randomly. But we believe that God designed all Creation for His own glory and to provide for us.

It is really important that we have the right understanding of creation. With that right understanding, we will see God's love everywhere, and place all our trust in Him!!
