## Our Lady's Message to Marija on January 25, 2025

"Dear Children,

In this year of grace, I am calling you to conversion.

Put God, dear children, in the center of your living and the fruits will be love towards neighbor and joy of witnessing; and the holiness of your life will become a true witness of faith.

Thank you for having responded to my call."

# A Moment with Mary 28/1/25

Dear Family of Mary!

In this year of grace...This is the first time that Our Lady has mention a "year of grace." She has used the words "grace" at least 252 times. And she has mentioned "a time of grace" 25 times. But never a "year of grace."

Our Lady ties her presence with us to the Father's desire to give us grace! She is a gift of grace, herself. She wants us to be filled with grace, even as she is!!

For instances she tells us:

June 25, 2002 "Dear children! Today I pray for you and with you that the Holy Spirit may help you and increase your faith, so that you may accept even

more the messages that I am giving you here in this holy place. Little children, comprehend that this is a time of grace for each of you; and with me, little children, you are secure. I desire to lead you all on the way of holiness. Live my messages and put into life every word that I am giving you. May they be precious to you because they come from Heaven. Thank you for having responded to my call."

Our Lady is with us to bring to us a time of grace! We all know it. That is why her 43 plus years with us have been so incredibly beautiful!

But she declared to us on January 25, 2025 that this is a year of grace! This year, 2025, is a year of grace. Let's lift our hearts in thanksgiving to God for granting us a year of grace, and work very hard to open our hearts to that grace, for our own good and the good of the whole world.

## Fr Leon Pereira Homily - Sons and Daughters of Christ

On the feast of Mary the Mother of God Fr Leon exhorts us to ponder how Our Lord came to make us heirs, his sons and daughters.

In this powerful homily we hear how our Blessed Mother is the Mother of God, we hear about the relationship between parents and children whether adopted or biological children.

Fr Leon shares the truth that your real parents are the ones who raise and care for you, that this is the true Catholic vision which Christ brings about for us as we are His adopted sons and daughters.

"Don't underestimate divine inspiration."

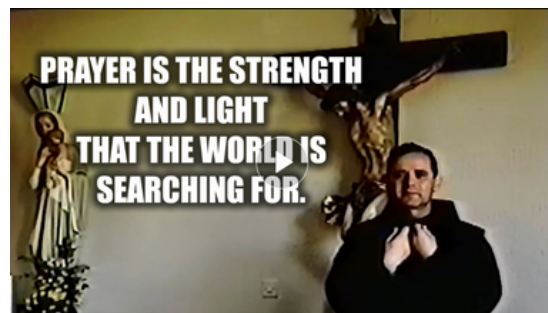

Fr Nathaniel's family were invited to visit Medjugorje in 1989, long before he was born and this was a result of an invitation from his grandmother who herself had visited Medjugorje and wanted her family to visit and experience this holy place.

Fr Nathaniel attributes the faith of his family and his devout Catholic upbringing to this pilgrimage.
