Roll Core Diameter: 42 mm
Certifications: EU Ecolabel, Food contact materials, The Partnership for Green Public Procurement
Directives, regulations and acts: 1935/2004/EU

Product Description: This hand towel roll is the hygienic alternative to fabric towels and hot air dryers. This product is made from 100% Cellulose, which combines with the smooth surface and unique embossing to provide maximum absorbency and reduce consumption. The sheets are folded with one-sheet-at-a-time function, which both reduces consumption and improves hygiene.
