Product Description

ABENA Wet Wipes are made from a polyester and viscose blend and are a good alternative to the traditional way of washing with water and soap. The product is for personal care and can be used all over the body. The wet wipe removes perspiration and bad odour and is hygienic to use because it is a disposable product. The wet wipes must be thrown in the waste bin after use. The product is available in different sizes and with both plastic lid and tape opening. For external use only. Avoid contact with the eyes.
