In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link <a href="https://www.staedtler.com/REACH">https://www.staedtler.com/REACH</a>	

Usage notes	
Noris Triangular-shaped coloured pencils 128: The triangular shape of writing instruments makes them comfortable to hold and promotes an optimal writing grip, ensuring fatigue-free writing and drawing.	
ABS Anti-Break-System: Our coloured pencils with A-B-S are surrounded by an innovative white protective coating . It makes the coloured lead more break resistant and the pencil stronger. Except colour white (-0)	
Sharpener recommendation: triangular double-hole tub sharpener 512 128	

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
