Product description

The STRATA BASE lamp offers quality lighting with a large 66 cm diffuser, limiting glare. Its modern design will enhance your desk. Easy to use with its touch-sensitive keypad, it allows you to adjust brightness and color. Its wireless remote control offers convenient control with bonus an USB port to charge your smartphone.

Product features

- Smart : the first model on the market in Europe equipped with a wireless remote control, allowing you to adjust the lighting from anywhere in your workspace.
- Clever : STRATA BASE has a memory function for light intensity and color temperature. Thanks to its 4 TIMER functions, you can also save energy.
- USB port : you can charge your smartphone via its USB port.
- Materials : aluminium / ABS plastic / silicon.
