### Product Description

ABENA Conditioner is a mild, nourishing conditioner that is particularly suitable for all hair types. The hair is left soft and easy to brush out and, at the same time, the conditioner is easy to rinse out, so that no conditioner is left, which could potentially irritate the scalp. Our conditioner is both economical to use and has a long-term effect. We recommend combining with ABENA's Hair Shampoo, which is mild and gentle on the hair and scalp. The product is third-party certified and can therefore be used safely by the whole family.
