

YOU'RE

INVITED

TECHNOLOGY SHOWCASE

ADVANCING OPERATIONAL EXCELLENCE IN OIL AND GAS

If you are interested in the future of the Oil & Gas industry, join us at our next technology showcase. Together with Rockwell Automation, we will explore how integrated process and power solutions specifically tailored for the Oil & Gas sector play a role in our overall vision and technological roadmap for the industry. Participants will get a full breakdown of key technologies, digital transformation initiatives and their benefits to Oil & Gas operations.
