

YOU'RE

INVITED!

VFD INSTALLATION SEMINAR

8:30am - 12:00pm

August 12, 2025
Columbus, OH

2255 Citygate Drive
Columbus, OH 43219

August 14, 2025
Toledo, OH

355 Tomahawk Drive
Maumee, OH 43537

Variable Frequency Drives (VFDs) are an essential and dynamic piece of modern automated control systems. Ensure your VFDs are performing optimally and experiencing minimal machine downtime with this free VFD installation seminar. All attendees will receive expert instruction on VFD installation techniques, controls, proper wiring and grounding and common troubleshooting concerns.
