

YOU'RE

INVITED!

PLC WIRING & TROUBLESHOOTING
TRAINING

8am - 4:30pm

Includes Catered Lunch

ALL TRAINING MATERIALS PROVIDED

April 21-24, 2026

Madison Heights, MI

1357 E. Lincoln Avenue
Madison Heights MI 48071

Get hands-on experience wiring your own PLC trainer and troubleshooting the PLC's ladder logic using Logix5000 software. This 4-day, instructor-led training will prepare you to locate and replace a faulty input or output device and wire the input and output (I/O) field devices to the PLC. Upon completion, all participants will gain 32 professional development hours and a solid foundation for Rockwell Automation Studio 5000/Control Logix courses.
